On 16 April 1924 in pursuance of G.O. dated 12-6-1923, the decision that he would be entitled to if he is retired immediately (i.e. on 1-7-23) as prayed for by him, and also whether he may be given the leave on full average salary and a pension of Rs 150 from 1 July 1923, and any other rules, for both of which he has prayed in his petition.

12-6-23

1161 ES (Contd)

1. Mr. Chakrapani Iyengar's total qualifying service on 1st July 1923 would come to 25 years - 10 months and 17 days.

2. He would be entitled to a pension of Rs 150/- if retired on 16-4-1924.

3. He would be entitled to a pension of Rs 143/6-

only if retired on 1-7-1923.

4. As he is on leave ever since 5-9-1922, the first four months of such leave being privilege leave and the next two months leave on average salary, and as the maximum period of privilege leave combined with leave on average salary is six months, he is not entitled to any further leave on average salary in continuation.

T. Satyanarayana
Comptroller.

Mr Chakrapani Rao requests that he may be retired immediately, provided he is given a pension at Rs 150 and he would be entitled only to Rs 143-6-0 on 1 July 1923. If he is retired on 16-4-1924, as already ordered he would get Rs 150.

It is a point for consideration whether he may be allowed to retire immediately as prayed for, with Rs 6-10-0 per mensem, in addition to what he is entitled to, as pension

These papers relate to the request of Mr. S. Chakrapani Iyengar, Assistant Commissioner (on leave) for being retired immediately on a pension of Rs.150 per mensem.

A

Mr. Chakrapani Iyengar has been granted combined leave from 5th September 1922 to 16th April 1924 and it has been ordered that he should be retired from service on the expiry of the leave. With a view to enrol himself as an Advocate, he requests that he may be retired immediately and given a pension of Rs.150 per mensem which he would get if he were retired on 16th April 1924. The pension that he would be entitled to if he is retired immediately is - - Rs.143-6-0. But the difference between the pension of Rs.150 and his half average salary for the remaining period of his leave is very little and the Financial Secretary has no objection to the small excess in pension being allowed and the Members of Council are of the same opinion.

Papers & Letter Notes

Concurring with them, I solicit the gracious approval of His Highness to the request of Mr. Chakrapani Iyengar being complied with.

3. In this connection I may perhaps be allowed to mention that I have all along tried to discharge my official duties conscientiously, with zeal and earnestness, and I fully entertained the hope that the Government would have, after a perusal of my explanations, completely exonerated me from blame in respect of any matter whatsoever concerning my work. There was no definite charge or allegation against me, and if there had been any shortcomings or laches on my part, the Government could have pointed out the same and warned me, as I am a responsible officer of Government with a recognised status. I really do not know what has prompted the Government to pass the above order, and as soon as I am in possession of full facts, I shall take the opportunity of showing to the Government that the action taken by them in my case is not justified. And with a view to avoid the further humiliation by continuing on leave for some months more and then retire I have preferred to retire from service immediately.

I beg to remain,

Sir,

Your most obedient servant,

S. Chokkanna Gowda

In continuation of my application dated 16th May 1923 soliciting orders for my retirement on a pension of Rs 150/- I beg to state that under the Civil Court Notification No 47 of 1921-22 dated 7th June 1922 which came into force from 1st July 1922, it appears that an applicant for Enrolment as an advocate or Pleader has to declare in writing "that he is not in the service of the Govt. of Mysore" and hence so long as I am on leave I am precluded from applying for Enrolment which was permissible under the old rules when the permission of the Govt or the Head of the Dept. could be applied for. I therefore respectfully request that my Esqy orders may be kindly passed on my application to retire me on a pension of Rs 150/- to enable me to apply for Enrolment without delay.

I also pray that the Govt may be kindly pleased to pass favorable orders on my second prayer for full

average salary for a period of 6 months
in the circumstances represented therein.
I beg to urge that I have been put-
to considerable hardship & trouble as I have
also to pay a monthly insurance premium
of Rs 50/- on the Life Insurance Policy
which only matures 3 years hence, namely,
in July 1926 -
